

CHAPTER 10

VILLAGE ENGINEER

SECTION:

- 1-10-1: Appointment
- 1-10-2: General Duties
- 1-10-3: Compensation

1-10-1: **APPOINTMENT:** The Village President, with the advice and consent of the Board of Trustees, may, for each fiscal year, appoint a qualified, competent person to be the engineer for the Village. Said Village Engineer need not be a resident of the Village, and shall serve until a successor is appointed.

1-10-2: **GENERAL DUTIES:** The Village Engineer, or a representative from his office, may render engineering services to the Village and/or to the Village officials on a consultant basis.

1-10-3: **COMPENSATION:**

A.

Compensation for any engineering services to be rendered by the Village Engineer, in connection with preparation of plans and specification for local improvements and for the supervision and inspection of the installation of the same, shall be paid for only out of special assessment installments as and when collected and shall not be an obligation of the Village.

B.

The Village Engineer shall be compensated for the reasonable value of any and all other engineering services rendered to or for the Village.
